

## **COLLAR BY NENDO** SIDE BOARD / LOW BOARD / BOOKCASE / CHEST OF DRAWERS

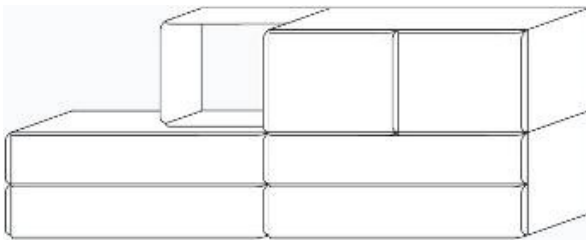

Collar consists of a range of different modules, with which you can make countless combinations.  
Examples:

Composition above, length 325 cm, from left to right:

On the ground: chest of drawers L75 H80 D55 (4 drawers), low board L200 H40 D55 (4 drawers), bookcase L50 H40 D35 (1 module)

On top of the low board: bookcase L50 H80 D35 (1 shelf), cabinet L100 H40 D55 (2 doors / 1 shelf)

Composition above, length 200 cm, from left to right:

On the ground : low board L200 H40 D55 (4 drawers)

On top of the low board: bookcase L50 H40 D35 (1 module), cabinet L100 H40 D55 (2 doors / 1 shelf)

Note: due to the size and shape of the metal fronts it is not possible to place a door next to a drawer.

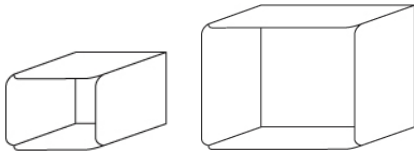

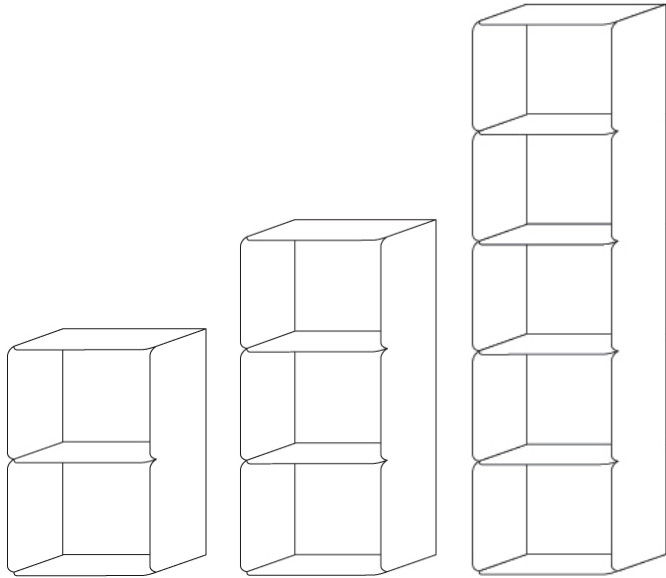

**COLLAR BY NENDO** SIDE BOARD / LOW BOARD / BOOKCASE / CHEST OF DRAWERS

Bookcase units below: 2,5 mm sheet metal. Powder coating in matt traffic white (RAL 9016). Other colors on request, additional charge.

Podium and fall back protection are included for bookcases of 80 cm and higher.

A podium is 28 mm high MDF excl. height of adjustable feet. The edges are white and its surface is smaller than the bookcase, which makes it float.

Suggested colors by the designer: Traffic White, Pantone Cool gray 3C / Cool gray 8C / Warm gray 3C
